PRESIDENT: Alright. Would a Page bring this back to....

Senator Kelly.

SENATOR KELLY: Mr. President and dear friends and gentle people. A little change of pace in our activities this morning. I've distributed to you a party notice. It refers to the Unicameral Ladies party plans which, as you all recognize I hope as our annual farewell party at the Unicameral. Pat is Chairman of this group and has asked me, which makes it mandatory, that I make this announcement to you. Because we'll be laid off on Friday the 26th we're pretty sure there are going to be a lot of people missing in Lincoln on March 25th, the night the party was scheduled. Therefore, our wives have rescheduled this party for Monday, March 29. All other arrangements are intact except the date which will be Monday, March 29th, not Thursday, March 25th. Thank you very much dear friends.

CLERK: Mr. President, there is a legislative resolution calling for a study of the classification of property for tax purposes inserted by Senator Keyes, to be referred to the Executive Board for consideration.

Mr. President, Attorney General opinion number 204, addressed to Senator Nichol, will be inserted in the Journal.

Mr. President, Senator Frank Lewis asks unanimous consent to print an amendment to LB 691 in the Journal.

Mr. President, I move that LB 752 become law notwithstanding the actions of the Governor. Signed, Frank Lewis.

SENATOR F. LEWIS: Mr. President, members of the Legislature. In trying to interpret the information back from the Executive Branch on this non-important bill to the Executive Branch, I believe I'll hold onto that motion and take it up. Mr. Clerk, it is file now. I'll take that up Monday or Tuesday, after the people have had an opportunity to respond to the veto. I would ask those that are interested that are listening to this media if they have an interest in this particular bill to give us their evaluation of the importance or non-importance of it through phone calls and also messages to the Executive.

CLERK: LB 691 was returned to Select File for a specific amendment offered by Senator Murphy. The motion to return carried. The specific amendment was not acted upon. The specific amendment is to strike the DeCamp amendment of yesterday, March 18th on page 1216. The motion to return prevailed and no action was taken on the specific amendment.

PRESIDENT: Senator Murphy.
